Today's Thought

Love to man is the earthward manifestation of the love of God. It was to implant this love, to make us children of one family, that the King of glory became one with us. And when His parting words are fulfilled, "Love one another, as I have loved you" (John 15:12); when we love the world as He has loved it, then for us His mission is accomplished. We are fitted for heaven; for we have heaven in our hearts.
