## *Today's Thought*

In His [God's] plan of government there is no employment of brute force to compel the conscience. The Jews looked for the kingdom of God to be established in the same way as the kingdoms of the world. To promote righteousness they resorted to external measures. They devised methods and plans. But Christ implants a principle. By implanting truth and righteousness, He counterworks error and sin.

COL 77

**Erma Jones** wants to thank everyone for their cards and visits since her hospitalization. She is especially grateful for the food which you have provided for her and her daughter during her recovery. Please continue to keep her in your prayers.

**Our Campout** at Fraser Park is scheduled for August 21-23.

*Keep our Missionaries, Joshua, Stephanie, and Nathan, in your prayers as they minister in Cambodia!*
